UPDATE ON SENIOR OUTREACH DAYS

EDITORS NOTE: The Macomb County Health Department received an additional shipment of flu vaccine and removed restrictions for upcoming senior citizen outreach programs. Flu shots will be available to seniors at the outreach days for Commissioner Nicholyn Brandenburg on Oct. 24 at Immanuel Lutheran Church in Macomb Township and Commissioner Rob Mijac on Oct. 27 at St. Jane Church in Sterling Heights. News releases about those programs were sent to you earlier.

The release our office sent out today about Commissioner Joan Flynn's senior outreach program on Oct. 28 at St. Edmund Church in Warren is not affected by this announcement. Flu vaccine at that program is not coming from the Macomb County Health Department.

This is an update only about the flu vaccine information; all other information contained in the releases remains current.
